Hi Rosemary,

I wanted to get you the recipe you requested. It's super simple and great cold weather comfort food. It also reheats great as a leftover.

Heat oven to 400 degrees

1.5 lbs. chicken tenders (or chicken breast) cut into small pieces.
(I boil them first and then add them to the casserole)

1 can Campbell's cream of chicken soup

1/3 cup sour cream

1 pkg. Stove Top Stuffing (I use Savory Herbs)

Pepper

Mix soup and sour cream until creamy, add chicken and stir together, (add pepper if you like) in a 9 x 9 casserole dish.
Top with prepared stuffing. Bake 30 min.

Yummy! :)

*Many Blessings,
Chantel*
