German Chocolate Cake Icing

Coconut - Pecan Icing

I like to make an additional 1/3 recipe so there is plenty

1 cup Sugar

1 cup Evaporated Milk

1 stick Butter

1 tsp. Vanilla

3 beaten Egg Yolks

1 can angel flake Coconut

1/2 cup chopped Pecans

Beat together sugar, milk, butter and egg yolks; cook in heavy double boiler until thick, stirring constantly. Add Coconut and Pecans. Add Vanilla. Spread between layers and on top and sides of cake.

I use 1/2 of a large bag of Coconut and 1 cup chopped Pecans.
